Lions Code of Ethics

TO SHOW my faith in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of service.

¶ To seek success and to demand all fair remuneration or profit as my just due, but to accept no profit or success the price of my own self-respect lost because of unfair advantage taken or because of questionable acts on my part.

¶ To remember that in building up my business it is not necessary to tear down another's, to be loyal to my clients or customers and true to myself.

¶ Whenever a doubt arises as to the right or ethics of my position or action towards my fellowmen, to resolve such doubt against myself.

¶ To hold friendship as an end and not a means.

¶ To hold that true friendship exists not on account of the service performed by one to another, but that true friendship demands nothing, but accepts service in the spirit in which it is given.

¶ Always to bear in mind my obligations as a citizen to my nation, my state, and my community, and to give to them my unswerving loyalty in word, act and deed. To give them freely of my time, labor and means.

¶ To aid my fellowmen by giving my sympathy to those in distress, my aid to the weak and my substance to the needy.

¶ To be careful with my criticism and liberal with my praise, to build up and not destroy.

LETTER FROM COUNTY AGENT

Lee County is fortunate in having a civic organization that realizes the importance of showing what is being done in the county in the field of agriculture.

I feel that our people are greatly indebted to the Lions Club, and I want to encourage them to begin selecting their exhibits as early as possible.

A good agricultural fair is an asset to any community. By seeing what others are doing encourages us to make the best better. By seeing good exhibits, which can only be secured by proper selection, make us aware of the fact that we too should be grading our commodities before offering them for market. Poor prices are usually a result of poor grading. The educational part alone is worth the time and trouble even if there were no prizes offered.

I wish to pledge my full support to the Fair and expect to spend much time in the field helping in the selection of exhibits.

Very truly yours,

J. P. KISER, County Agent.

LETTER FROM HOME DEMONSTRATION AGENT

Dear Lee County Women:

We are all proud of our home-grown products in Lee County. You, who have produced them, should be especially proud of them and I know you will wish to show something in the various departments of the Lee County Fair on September 19.

Study the attractive premium list, check what you have to show, select the finest you have in each class, and come to the Fair on Monday. You will meet your friends there from all parts of the county. We have good fairs in Lee County because the people make them so.

Looking forward to seeing you on September 19 in the Agricultural Tent at the Fair Grounds, I am,

Very sincerely yours,

CORNELIA SIMPSON,

Home Demonstration Agent.

Sanford, N. C., August 27, 1938.

TO THE CITIZENS OF LEE COUNTY AND OUR NEIGHBORING COUNTIES

The Lee County Board of Commissioners have given their full approval to the Sanford Lions Club to operate and conduct the Lee County Agricultural Fair for the year 1938. A committee of the Lions Club appeared before our board and gave an outline of their plans for operating the Fair. The past record of the Sanford Lions Club for Unselfish Civic Work leads us to believe that they will give us a fair conducted in a clean, honest and public-spirited way. I, therefore, take great pleasure in recommending that the good people of this and surrounding communities give them their full co-operation in making this a most successful and beneficial County Fair, for without your cooperation, no organization could hope for success.

Very sincerely yours,

JOHN A. DALRYMPLE,
Chairman Lee County Board of Commissioners.

COOPERATE WITH US AND MAKE THIS THE MOST SUCCESSFUL FAIR THAT WE HAVE EVER HAD!

As president of the Sanford Lions Club, I wish to extend to every man, woman and child a cordial invitation to visit the Fair this year, and also to prospective exhibitors to cooperate with us in every way possible by exhibiting their products. We hope and believe that every citizen in Lee County will do their bit towards making this fair the best in its history.

It is our desire to extend every courtesy possible and to do everything in our power for one of real pleasure and enjoyment. We have a contract with the Smith's Greater Atlantic Shows, who comes to us highly recommended. They have all the modern riding devices and an aggregation of clean shows. Our free acts program will more than please as no better acts can be had for a fair even much larger than ours. Our exhibits will be interesting and educational and we want you to make an exhibit this year. Even though it be small, just something that you raised yourself.

Thanking you in advance for your cooperation and trusting to see you on the Fair Grounds, I am,

Very sincerely yours,

GLENN G. DORSETT,

President Sanford Lions Club.

SELL YOUR TOBACCO IN SANFORD . . . OUR HOME MARKET

We will have this season Five Auction Warehouses, all conducted by able warehousemen. The business and professional men as well as home-loving citizen of Lee County are interested in seeing this market grow. It means everything to Lee County folks to make this the largest and most successful market in this section of the State. Help us do this, Mr. Tobacco Famer, and we pledge our help in seeing you get the highest prices.

Smith's Greater

(Brownie) Smith, owner and manager, was born and reared in Salisbury, N. C. . . . and has played return engagements with some of the best fairs in North Carolina.

Some of the well-known rides that the Smith Greater Shows will bring us are the Merry-Go-Round . . . a Giant Ferris Wheel . . . the Octopus . . . Tilt-a-Wheel and several kiddie rides. Outstanding shows are

Atlantic Shows

his Big Minstrel Shows, one of the largest and best on the road . . . a Big Circus Side Show that they have spent hundreds of dollars to make the best of its kind possible . . . a Monkey Village . . . Paris Revue . . . Oriental Casino . . . Congo from the darkest Africa. These are just a few of the rides and shows. . . . In addition to the shows and rides there will be thirty or more clean and fair concessions . . . and three big spectacular free acts each day. The Smith Greater Atlantic Shows invite you to come out each day and night and have a real carnival good time.
